make the garlic oil:

- in a small skillet, heat the olive oil over medium-low heat.

- drain any excess moisture.

assemble the pizza:

- roll or stretch the pizza dough to your desired shape and thickness.
- brush with the garlic olive oil.
- top with mozzarella, spoon on dollops of ricotta, add wilted spinach, and sprinkle with parmesan.

bake:

- transfer the pizza to a hot stone or baking sheet and bake at 400°f for 15 minutes, or until the crust is golden and the cheese is bubbly and slightly browned.

serve:

- let the pizza cool for a minute or two before slicing. add optional toppings like crushed red pepper or a drizzle of balsamic glaze for extra flavor.
