## directions

1. Preheat oven to 450 degrees. Scrub the carrots, and halve larger carrots. On a large baking sheet, toss carrots with  $\frac{1}{4}$  olive oil. Season with salt and pepper. Roast 35-40 minutes, tossing halfway, until tender.
2. Meanwhile make the carrot-top chimichurri. In a small bowl, combine shallot, fresno, garlic, and red wine vinegar. Allow to sit 10 minutes. Stir in lemon zest and juice, cilantro, parsley, and carrot top greens. Whisk in oil and season with 1 tsp salt.
3. Combine spices in a small bowl. Rub the flank steak with vegetable oil, and rub with spices. Prepare grill over medium-high heat. Grill steak until thermometer reaches 130 degrees, or until medium-rare. This will take about 4 minutes per side. Transfer to cutting board and allow to rest 10 minutes. Return steak to grill to recrisp exterior for 1 minute. Slice against the grain.
4. To assemble salad, on a large platter, add romaine hearts, barley, roasted carrots and steak. Sprinkle with feta and dress with chimichurri sauce.
